# THE DESIGN OF SOUND

Have you ever wondered what sounds would look like if you could see them? Of course, there are music score sheets to represent each note of a sound, but that's still different from visualizing what sound would look like as a person, as an animal, as a building, or as a flooring design. Inspired by different types of sounds and how they each produce various types of feelings for everyone, Tun-tex presents to you one of its latest collections, **T637 Sonic**.

You've been to concerts, nightclubs, and musicals. You've watched your favourite DJ drop his mixtape on stage, hearing the echoes of his songs ring in your ears. But have you ever imagined how the music would look like?

# The Rhythm Of

# music

# Listening

## To Nature

Imagine yourself standing in the forest with rain pouring down. What do you hear? What do you feel? Birds chirping from a distance, tree leaves shuffling together from the wind, and rain droplets hitting your raincoat.

What's a sound that you hear every single day – whether it's your alarm ringing and waking you up or the sound of Bus 271's door closing before you can catch up to it. If you were to draw how you feel when you hear these sounds, what would be on your canvas?

**Everyday**

**s o u n d**

# TUNTEX™

T637 Sonic attempts to mimic what different types of sound could look like, whether it's rhythmic or fast-paced. This carpet design series takes the tempo of music, everyday sounds that you're familiar with, and the soothing sound of rain into indoor spaces, hoping to alleviate stress from your busy daily routines by bringing nature closer to the human environment.

<b>Style</b>	T637 "Sonic"
<b>Construction</b>	Multi Hi / Lo Loop
<b>Pile Fibre</b>	nexlon™ Standard + Prisma + Circular Premium Solution Dyed Nylon with RECYCLED content, Stain and Soil Resist technology
<b>Dye Method</b>	Solution Dyed
<b>Gauge</b>	1 / 12G
<b>Pile Height</b>	4.5 / 3.5 mm
<b>Total Thickness</b>	7.2mm(± 0.5mm)
<b>Tile size</b>	500mm x 500mm
<b>Total Weight</b>	Approx. 4000g / m <sup>2</sup>
<b>Secondary Back</b>	Recyclable TUNTEX Commercial Duraback
<b>Wear Warranty</b>	Product is warranted not to lose more than 10% pile fibre by weight in normal commercial use within 15 years.
<b>Colour Fastness</b>	15 Year Warranty AATCC 16. Grade 4 - Little or no change.
<b>Static Electricity</b>	Permanent Lifetime Protection - less than 2.0 KV.
<b>Stain Resistance</b>	Stainshield Treatment: <b>STAINSHIELD™</b>
<b>Soil Resistance</b>	Soil Guard Treatment: <b>SOILGUARD™</b>
<b>Dimensional Stability</b>	Warranted not to change in size by more than 0.5 mm in normal use. Will not dome or dish in normal use.
<b>Installation</b>	Tackifier or Releasable adhesive Recommended.
<b>Sustainability</b>	All yarns used are Solution dyed to minimise use of water and exclude any effluent production. ISO 14001 and ISO 9001.

Health Product Declaration (HPD) Third Party verified by U.S. GreenCircle Certified.

Environmental Product Declaration (EPD) certified by UL.

U.S. CRI Green Label Plus Certificate.

Singapore Green Building Council Product Certificate - 4 Ticks "Leader".

Passes ASTM Flammability Test.  
Flammability: Passes (ASTM E648)  
Smoke Density: Passes (ASTM E662)

Passes AATCC Static Propensity Test.  
Static Propensity: ≤3.5 KV (AATCC 134)

Passes the Quality Test of China National Carpet Quality Test Center.

Passes the Flammability Test and Environmental Protection Test of the China National Fire and Construction Quality Surveillance Center.

ISO 9001 Quality Management System.

ISO 14001 Environmental Management System.

ISO 45001 Healthy & Safety Management System.

Passes EN 13501 European Fire Test Bfl.

Passes EN 1307 Wear Rating Class 33 - Heavy Commercial.
