LUXCUSHION™

Revolutionary New Backing System

01 nexlon™ – premium solution dyed nylon

02 Reinforced fiber glass

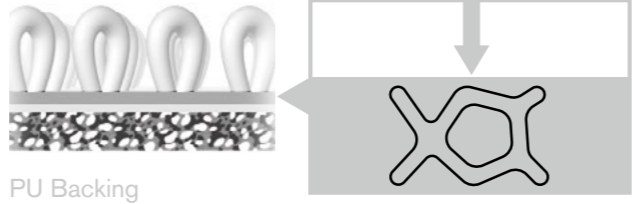

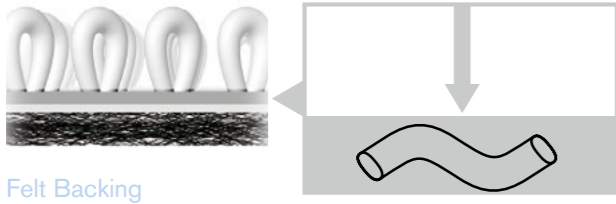

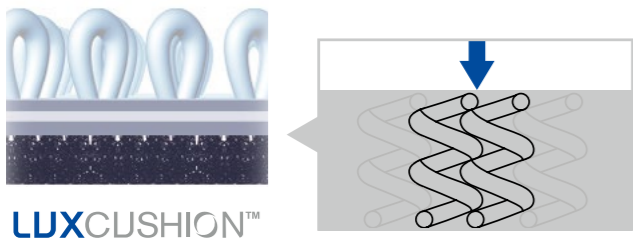

03 Repurposed high resilience nylon

**Patented Technology
Unique Sandwich Design**

*Chinese Patent No.: ZL 202020360039.5
United States Patent No.: US 11,668,046B2*

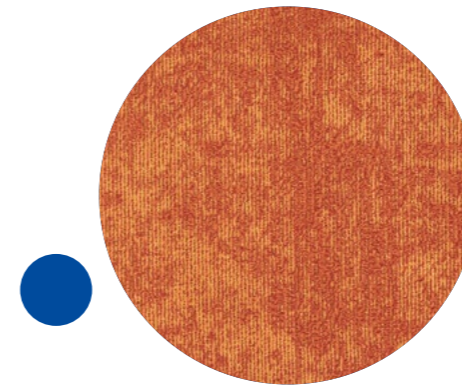

Creative Backing Structure

Different from typical backing systems, LuxCushion™ repurposes high resilience nylon that is a byproduct from yarn wasted during carpet manufacturing process. Compared to typical felt or foam backing, LuxCushion™ shows a superior resilience performance thanks to its unique 3D structure. Tufted like “springs”, LuxCushion™ provides better underfoot comfort for indoor environment.

Dreams make everything possible. The new Dream Collection released by Tuntex narrates the power of dreams. Meanwhile, the latest innovation backing system, LuxCushion™ is introduced to improve your indoor experience.

Dream Space

The stimulation of human potential begins with dreaming.

- Dive into the Dream——Enter the limitless world
- Dream in the Dream——Maximize the possibility
- Awake from the Dream——Discover the new voyage

Dream Collection offers a complete flooring solution for interior designs. From basic color to complex patterns, diverse combinations of carpets break the limit of imagination. The innovational backing system of **LuxCushion™** is utilized. It provides enhanced comfort, functional acoustic effect, and practical deodorization and anti-microbial, creating a soft and dreamlike experience.

Just dream your dreams!
