

A vintage pocket watch with a white face and Roman numerals is shown in the foreground on the left. The background is a bokeh of warm, glowing lights. A blue rectangular box is overlaid on the top left, containing the text 'VINTAGE' and 'T716G'.

VINTAGE

T716G

A detailed black and white line drawing of a rural landscape, featuring a large barn, a house, and a field with a path leading towards them.

TUNTEX™

Vintage

The vintage style reminds us of preserved architecture, antique cars made in the early 19th century. "Vintage" also refers to high quality within the wine industry, as it reflects the year of the grape harvest, the water and weather they received, which gives the wine a particular identity and unique taste for that year.

Color: T71610G / T71614G

Unique

The beauty of vintage comes from the uniqueness the era brings, similar to wine. Each vintage wine has a particular flavor fundamentally molded by the grapes harvested that year. "Vintage" describes something hard to replicate or mimic, unrepeatable over time.

All images are computer generated files and may not exactly represent actual installation appearance and tile seams. Full tiles can be provided if required.

Timeless

There are styles that only get better over time. Timeless elements that, like vintage wine, age gracefully and even become more charming and appreciated over the decades. Tuntex's T716G Vintage collection is designed with organic patterns with a tie-dye effect, creating a sense of antiqueness that tells a story of history and memory, ensuring its long lasting presence.

Style	T716G "Vintage"
Construction	Multi Hi / Lo Loop
Pile Fibre	Universal Fiber Solution Dyed Nylon
Dye Method	Solution Dyed
Gauge	1 / 10G
Pile Height	6.0 - 3.5mm
Total Thickness	8.4mm(±0.5mm)
Tile size	500mm x 500mm
Total Weight	Approx. 6300g / m ²
Secondary Back	RECYCLED TUNTEX Commercial Duraback
Wear Warranty	Product is warranted not to lose more than 10% pile fibre by weight in normal commercial use within 15 years.
Colour Fastness	15 Year Warranty AATCC 16. Grade 4 - Little or no change.
Static Electricity	Permanent Lifetime Protection - less than 2.0 KV.
Stain Resistance	Stainshield Treatment: STAINSHIELD [™]
Soil Resistance	Soil Guard Treatment: SOILGUARD [™]
Odor Reducer	Ecofresh Treatment: ECOFRESH [™]
Anti-microbial	Microshield Treatment: MICROSHIELD [™]
Dimensional Stability	Warranted not to change in size by more than 0.5 mm in normal use. Will not dome or dish in normal use.
Installation	Tackifier or Releasable adhesive Recommended.
Sustainability	All yarns used are Solution dyed to minimise use of water and exclude any effluent production. ISO 14001 and ISO 9001.

Health Product Declaration (HPD) Third Party verified by U.S. GreenCircle Certified.

Environmental Product Declaration (EPD) certified by UL.

U.S. CRI Green Label Plus Certificate.

Singapore Green Building Council Product Certificate - 4 Ticks "Leader".

Passes ASTM Flammability Test.
Flammability: Passes (ASTM E648)
Smoke Density: Passes (ASTM E662)

Passes AATCC Static Propensity Test.
Static Propensity: ≤3.5 KV (AATCC 134)

Passes the Quality Test of China National Carpet Quality Test Center.

Passes the Flammability Test and Environmental Protection Test of the China National Fire and Construction Quality Surveillance Center.

ISO 9001 Quality Management System.

ISO 14001 Environmental Management System.

ISO 45001 Healthy & Safety Management System.

Passes EN 13501 European Fire Test Bfl.

Passes EN 1307 Wear Rating Class 33 - Heavy Commercial.
