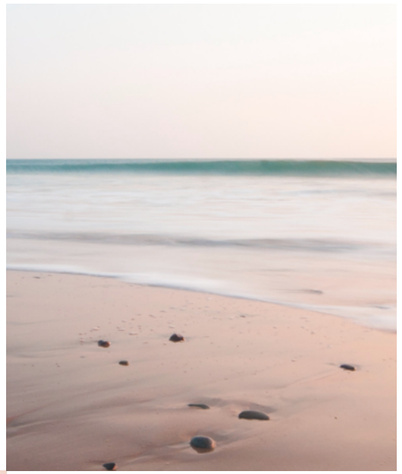
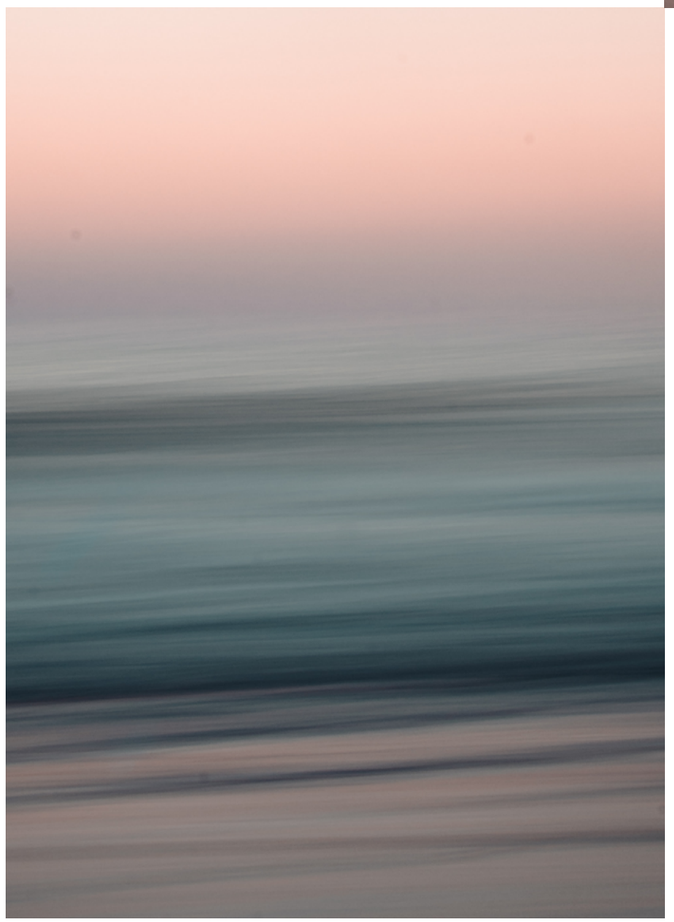
TIME & TIDE

Time and tide wait for no man.
Listening to the lapping of the waves and seeing the tides being high or low,
we feel the magic and power of time.

Time & Tide

Time & Tide Collection is dedicated to the greatest of time. Based on neutral colors that symbolize eternity, the gradient colors simulate the trail of time flowing.





T873 Tide opens to a special cross pattern, while T673 Time conveys a positive meaning with bright accents. The simple and modern design accommodates a variety of environments including commercial, hospitality, and public spaces.
