

An aerial photograph of a river delta, showing intricate patterns of water and land. The water is a deep blue, while the land is a lighter, sandy brown. The patterns are complex, with many small channels and larger, more open areas. The overall effect is one of natural beauty and complexity.

DESIGN INSIGHT -

DESIGNER'S CHOICE

NATURE AND ART WORKING TOGETHER

TUNTEX™

Nature encompasses everything in between meanwhile becoming the source of inspiration. We begin with the four natural elements of wind, fire, water, and soil, expand our imagination, and create limitless designs.

NATURE AND ART WORKING TOGETHER

Nature brings us comfort, flexibility, and beauty, while art makes beautiful things abstract. Nature blends into art, creating a wide range of variety of decorations and designs for indoor spaces. These nature-inspired flooring designs can soothe and calm people in a time when everything is fast-paced and people are overwhelmed with information and workload, bringing them a step closer to nature.

ABSTRACT

T810

The wind is intangible, passing through the wheat fields while caressing the grass, and leaving its own footprints behind.

WIND IS ABSTRACT

T81010 / T81011 **Herringbone**

Versatile

The wind leaves a trail behind with its ever-changing form.
Clouds shaped into animals in the sky, wheat leaning to a side in the rye, are all its work of art.

T81001 / T81010 **Ashlar**

T81004 / T81011 **Herringbone**

Unbridled

Always on the move, the wind is free to go wherever it wants whenever it wants, inspiring artists to break out of their shells and make a dent in the universe.

The combination of the same colour scheme or different colour schemes between the four series can also present a good effect. Here are some examples.

CUBE

T811

Soil provides stable foundation beneath our feet. And when we need something more, it can even be transformed into cement and bricks to create the thickest, strongest shelters for everyone to enjoy.

SOIL IS CUBE

T81110 Ashlar

Sustain

Mountains stand upright between the sky and the earth with flowers blooming everywhere; they act as a role model for generations, lasting forever and inspiring things around the world. This is a gift from the mountains to human beings as they silently support everyone through each season every year.

T81104 Herringbone

Harbour

Softness of the grass, sweetness of the fruit, the goodness of life roots in the soil. It supports.
It protects. It harbours humankind in its arms.

EXPRESSION

T812

Thoughts and words are similar to water. Just like a single drop of water can create a splash that leads to the birth of something new and vibrant, a single idea or word can have a powerful impact and create something full of life and energy.

WATER IS EXPRESSION

Surge

The stream rushes on, like one's train of thought, not yet turned into words, quietly waiting to clash with another stream to make a splash.

T81205 / T81207 Ashlar

T81207 Herringbone

Collide

Thoughts, Expression, Interaction!
Words and wisdom combat and harmonise to create a new stream of life.

NOUVEL

T813

Phoenix is reborn in the fire. New buds sprout after fire.
Fire, where a new life begins.

FIRE IS NOUVEL

Sprout

The momentum of shadows reminds us the temple of life and the aesthetics of nature.

T81301 Ashlar

T81310 / T81311 Ashlar

T81107 / T81306 Ashlar

Illuminate

Lighting up the dark, fire carries on the hope of people - hope for love, hope for life.

Style	T810 "Abstract" T811 "Cube" T812 "Expression" T813 "Nouvel"
Construction	Hi / Mid / Lo Loop
Pile Fibre	nexlon™ Premium Solution Dyed Nylon
Dye Method	Solution Dyed
Gauge	1/12 G
Pile Height	5.5 / 5.0 / 3.0 mm
Total Thickness	T810 / T813 - 7.2mm(±0.5mm) T811 / T812 - 7.5mm (±0.5mm)
Tile size	250 mm x 1000 mm
Total Weight	T810 / T811 / T812 - Approx. 4950 g/m² T813 - Approx. 4900 g/m²
Secondary Back	TUNTEX Duraback
Stain Resistance	Stainshield Treatment: STAINSHIELD™
Soil Resistance	Soil Guard Treatment: SOILGUARD™

Wear Warranty	Product is warranted not to lose more than 10% pile fibre by weight in normal commercial use within 15 years.
Colour Fastness	15 Year Warranty AATCC 16. Grade 4 - Little or no change.
Static Electricity	Permanent Lifetime Protection - less than 2.0 KV.
Dimensional Stability	Warranted not to change in size by more than 0.5 mm in normal use. Will not dome or dish in normal use.
Installation	Tackifier or Releasable adhesive Recommended.
Sustainability	All yarns used are Solution dyed to minimise use of water and exclude any effluent production. ISO 14001 and ISO 9001.
